

Medical Service Bureau (M.S.B.)

Is forced to relocate and needs our HELP!

Rosa Molina and the staff @Medical Services have been there when our brothers and sisters, our community and maybe even our own family have needed Prescription Medication! Or Glasses!

Assisting those that are unemployed, underemployed or have no healthcare benefit

M.S.B. is important to US!

We must be there in their time of need!

We will begin moving on Friday March 26th and will have MSB ready to greet clients at their new location Thursday April 1st @ 8:30 a.m.

This will be a great APRIL FOOLS DAY
