

Negotiations Update Mon. 10/11

Your Negotiating Committee has negotiated with HBC through the weekend. We are presenting our counter-proposal today. We expect the final proposal from HBC sometime Tuesday. Of course, this is always subject to change.

We will post the finalized proposal on our website. We will print and distribute it in the shop as soon as possible. We feel the membership needs to know immediately. Of course, we need to understand the media will receive it as soon as it's posted, and it will be announced publicly.

The Ratification vote is scheduled Saturday. We will have a meeting to explain the contract, and to answer questions. We strongly urge you to attend the meeting, and hear the information about the contract. Your Negotiating Committee understands the impact this could have on you and your family. Please show up and listen to all the details, so that you may make an informed decision.

Remember there WILL BE NO STRIKE VOTE. The Ratification Vote requires a simple majority (50% +1 vote) to be accepted.
